You've grown. Do you need a new Daisy? Dad can help you find the one that fits.

With kids there to help, you can try the whole Daisy line of guns, and find the Daisy exactly right for you.

Just show Dad any of these wonderful styles. Choose a Western or a Modern Camo style. Find the Daisy you can handle. And the kids, especially their dad, will give you their right for you.

How about that shooting? Your new Daisy will have the power you need for the fun you want. It'll hit more targets, too. And the more it hits, the more you'll love it.

So talk to Dad with this. If he thinks you're ready for it, both of you can go down to the

store that sells Richard Rogers. You'll be able to try on the Daisy models right for you, as well as see the whole exciting line of their accessories.

Read for the new, extra 30-page, full-color Daisy magazine inside. Featuring air guns for ages 4-15, it's really fun.
